RE: Freedom of Information Act Request

EA Group is conducting a Phase I Environmental Site Assessment (ESA) on a site in Cleveland, Cuyahoga County, Ohio. We are requesting a review of your files to determine if any of the following addresses have active or historic issues on file with the EPA. The following addresses, all in Cleveland, Ohio 44060 are included in our request:

- 925 Euclid Ave.
- 1035 Chester Ave.
- 1105 Chester Ave.
- 2014 E. 9th Street, R1030
- 1001-1015 Euclid Ave.

If you do not have files pertaining to any of these properties, please respond in writing to the undersigned. If files are available, we would be interested in receiving copies of the files.

Thank you for your assistance in this matter. Please contact the undersigned with questions.

Sincerely,

EA GROUP

Paul Brown
